FM537 Mental Health Nursing in Brisbane North

Referral form

The Mental Health Nursing in Brisbane North (MHNiB) program delivers clinical care coordination and treatment services for people with severe mental illness and complex health issues being managed in primary care settings. The mental health nurses (MHN's) provide specialised support to GP's and community based psychiatrists by consulting and collaborating with them on the patient's clinically related needs and goals identified in the MHTP, coordinating access to and liaising with other health providers and community support agencies, providing active follow-up and reviews of the patients mental and physical health, delivering psycho education, administering, monitoring and ensuring compliance with medications and liaising with family and carers as appropriate.

To be eligible for MHNiB the patient must be 18 years and over and meet **all** of the following criteria (please tick):

MHNiB eligibility criteria	
<input type="checkbox"/>	The person has a diagnosed/provisionally diagnosed mental disorder which is severe in nature and related complex health needs, and
<input type="checkbox"/>	The mental disorder significantly impacts at least 2 areas of social, personal and/or occupational functioning, and
<input type="checkbox"/>	The person has, or is at risk of developing, a physical health problem, and
<input type="checkbox"/>	The mental disorder has resulted in hospital treatment in the previous 2 years or there is a risk of hospitalisation within the next 12 months if clinical care by a MHN is not provided, and
<input type="checkbox"/>	The patient is expected to need ongoing treatment and management of their mental disorder over the next 2 years, and
<input type="checkbox"/>	A primary care based GP or psychiatrist is the main person responsible for the persons clinical mental health care and has initiated/completed an initial mental health treatment plan

If the patient has **psychosocial disability** please refer them to Partners in Recovery or the National Disability Insurance Scheme when it becomes available in your region.
